A. What Information We Collect

You can visit our site without identifying yourself or revealing any personal information. Our site does automatically collect information such as your IP address, browser type, operating system, “cookie” information, and the page You requested for site trends and statistics, but this information does not personally identify You.

When we collect usage information (such as the numbers and frequency of visitors to the website), We only use this data in aggregate form, and not in a manner that would identify You personally. We may also provide this aggregate information to our partners, but We never disclose aggregate information to a partner in a manner that would identify You personally.

We ask You to provide your Personal Information such as your first name, last name, and email address to generate Your personal activation key for the software. You can choose to not provide us with certain information, but then You will not be able to purchase and process your order.

We may ask You to provide your personally identifiable information if You are signing up as our reseller and partner. Some information about your company, its size or other details may be required by us via email while providing pre-sales support. When you contact the nature remedy support any details You provide which is used only to help us solve any issues.

We do not collect any financial information such as credit card details and none of the information We collect is ever shared with any third parties outside of our immediate e-commerce provider.

B. What Types of Cookies We Use

“Cookies” are identifiers we transfer to your computer or mobile devices that allow us to recognize Your browser or mobile device and tell us how and when pages in our website are visited and by how many people. You may change the preferences on our browser or mobile device to prevent or limit your computer or device’s acceptance of cookies. But this may prevent you from taking advantage of some of our website’s features. If you click on a link to a third party website, such third party may also transmit cookies to you. These Privacy Policies do not cover the use of cookies by any third parties.

Nature-remedy.com also uses anonymous session cookies. A session cookies only ever contains a unique identifier for managing session state and therefore does not contain any personally identifiable information. Session cookies are automatically deleted when the web browser is closed.

C. How We Use Your Personal Information

The personal information you provide to us will be used for the purpose for which it was provided – to contact you, to process your order, to ship your order to you. We can also use any information you have provided as reasonably necessary to provide customer support to you and to provide notices to you regarding the products or services that you have purchased from us.

We will not make any of this information available to any third parties. We will not use your personal information to inform you about new products or promotions without your expressed consent. Our administration staff may monitor site usage and use collected information to administer and maintain the privacy and security of the website. Our support staff may use collected information to perform requested support tasks and any additionally supplied information will only be used for completion of the activity for which the data was provided.

D. With Whom We May Share Your Personal Information

We do not make any of your personal information available to any third parties. However, we may share your information with our billing company. This is necessary for processing your orders or troubleshooting. Your information may also be shared with authorized resellers and partners who we may think would serve you better.

E. Access and Correction of Your Personal Information

You can on request obtain a full report containing all of the personally identifiable information we have recorded about you. You can contact our customer support directly to request corrections to be made to any recorded information if you consider it to be incorrect.
